### Lecture notes for F.Y.J.C. & S.Y.J.C.

F.Y.J.C. being the entry year, students often get demented while studying and preparing compiled notes for theory subjects. Understanding this, we have designed lecture notes for Organization of Commerce and Management, Economics, Secretarial Practice and Biology which are provided to the students at no additional cost. We also provide lecture notes for S.Y.J.C., namely the Organization of Commerce and Management & Economics.

### Test Series for S.Y.J.C.

S.Y.J.C. is a crucial year in the life of a student. In this year, the students appear for board exams, which give them an opportunity to compete with lakhs of students who appear from the entire state of Maharashtra.

We have designed a curriculum for S.Y.J.C. in such a way that our students get enough writing practise throughout the year in a Board Exam simulated environment. This is done with the help of our self-designed test series which initially starts with monthly tests covering 2 to 3 chapters per subject, followed by Terminals and Prelims. Continuous writing practise helps the students find their own mistakes, rectify the same and score better marks during the board exams. Assessment of these papers is as per with the board marking scheme.

### Problem sheets for F.Y.J.C. and S.Y.J.C.

Our teachers have articulately designed problem sheets for practical subjects covering each aspect of the allotted sheet and the same

are issued at no additional cost to the students. This helps in saving a good amount of time inside the classroom which otherwise would have been squandered in dictating the problems. This also enables the faculty to have head-to-head discussion with the student.

“

*Take up one idea.*

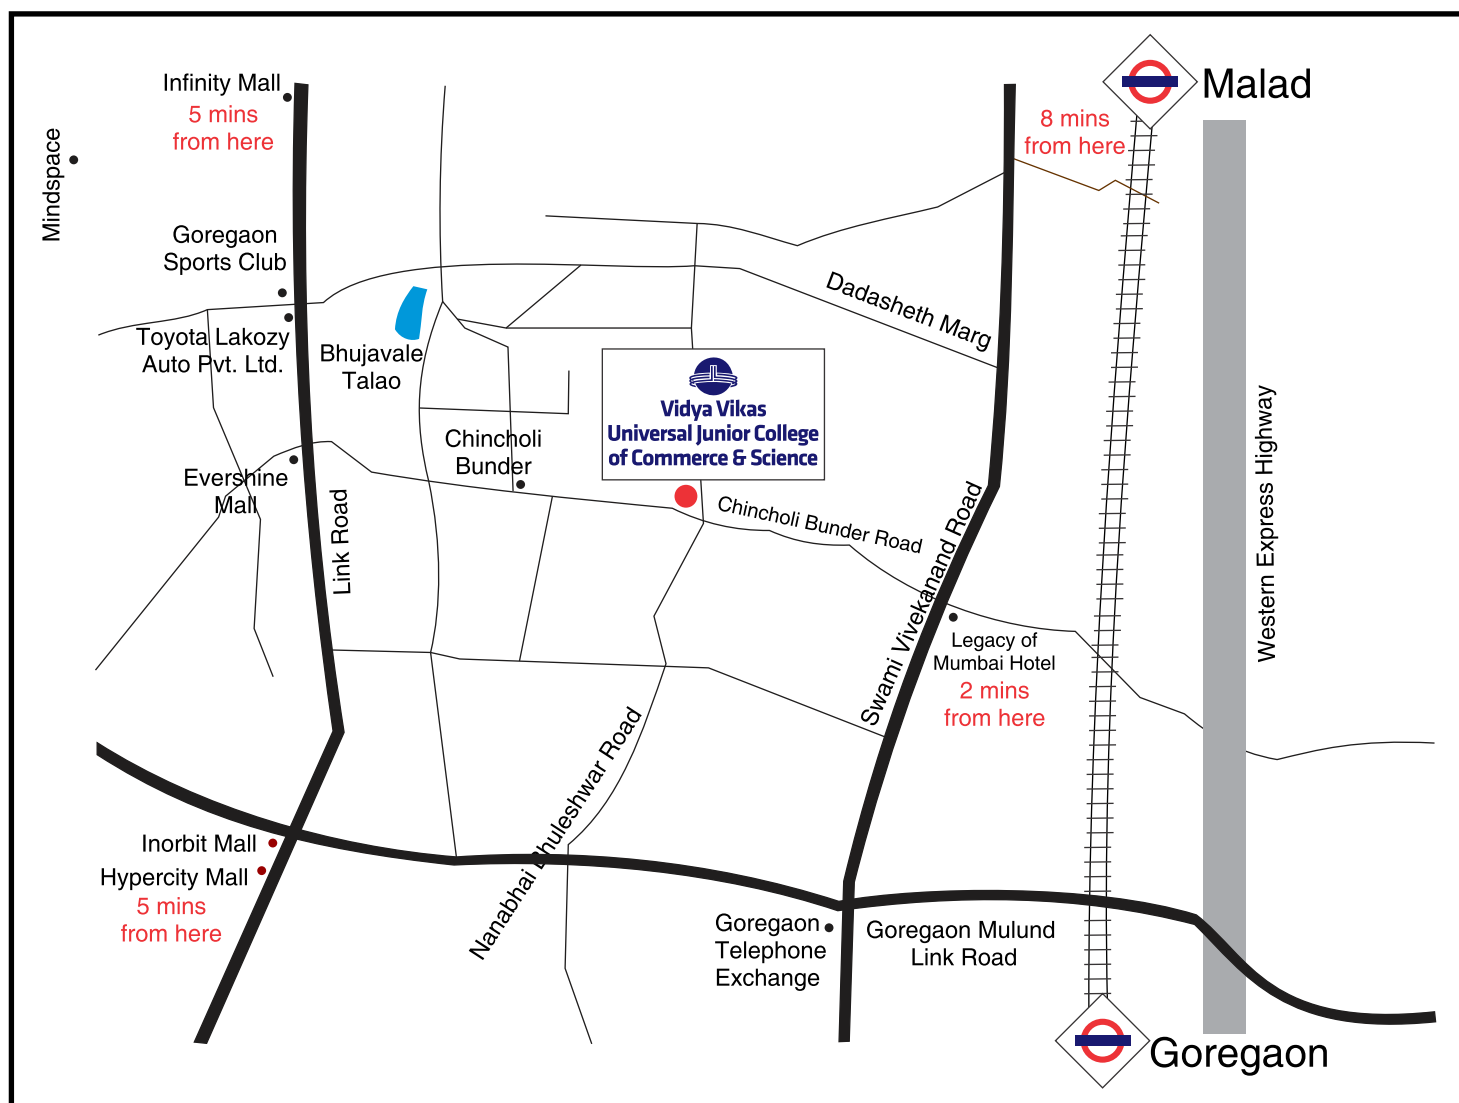

*Make that one idea your life –  
think of it, dream of it, live on that idea.*

*Let the brain, muscles, nerves,  
every part of your body be full of that idea,  
and just leave every other idea alone.*

*This is the way to success.* ”

*- Swami Vivekananda*
